

Dr. Irina Smoliakova awarded The Elmer and Min West Faculty Award from Arts & Sciences.

Irina Smoliakova, Professor of Chemistry

The children of Elmer and Min West founded the award in 1985 to honor the memory of their parents by recognizing an outstanding faculty member and strong teacher at the University of North Dakota.

Dr. Smoliakova demonstrated her ability to successfully balance research, teaching, and service. In particular, her commitment to students is truly impressive.
