About the UND Community Orchestra:

The Community Orchestra is one of the several courses offered for members of the community as part of the Community Music program at the University of North Dakota. In our second season, we are focusing on developing an amateur string orchestra that will both develop musicianship and provide an ensemble opportunity not available elsewhere in the Grand Forks area. All violinists, violists, cellists, and bassists are welcome!

As Community Music is not funded by the university or by the city, there is a small tuition set for the ensemble. This tuition compensates both the director and the costs associated with organizing the program, similar to that of a youth orchestra. Poppler’s Music has graciously offered their ensemble rehearsal space to the Community Orchestra, providing easier and more affordable access to rehearsals.

Rehearsal Schedule:

Rehearsals will be held at Poppler’s Music
1720 S. Washington St.
Grand Cities Mall

Time: 7:30-8:45 PM

Day: Thursday evenings beginning February 11th
Final Concert:

Friday April 15th, 2016  8:00 PM
Josephine Campbell Recital Hall
Hughes Fine Arts Center (UND)

Repertoire:

Repertoire will be at the beginning to intermediate string orchestra level, and chosen to provide both enjoyment and some challenge. Music will be distributed at the first rehearsal and will be collected following the final concert.
