---

*Please rate the Student in the following areas. In the spaces provided, give comments or feedback as well as any thoughts regarding the student's strengths and/or suggestions for improvement.*

1. The Student's art work (i.e., issues related to technical skills, materials, techniques, and equipment specific to the production of their visual art).

1	2	3	4	5
---	---	---	---	---

2. The Student's artist statement (i.e., written skills as a means to communicate the conceptual basis of their visual research and to demonstrate their knowledge and understanding of the cultural, theoretical, and rhetorical issues in the history of art).

1	2	3	4	5
---	---	---	---	---

3. The Student's oral communication skills as it pertains to their work/creative research (can include the development of the work, materials, methods, techniques, or the cultural, historical, philosophical, and theoretical context of the work).

1	2	3	4	5
