

PRESENTATION ON GOALS

Task: Prepare short presentation on your project research goals to be presented within 3 min and rehearse.

The presentation should include:

- **Title slide**

Title of the project, Authors: yourself, graduate student mentor, faculty mentor

- **Background slides**

Explain why we should care about the project.

Discuss current state of research and what the research problem is

- **Approach slide(s)**

Address how your project will solve the described problem.

- **Acknowledgment slide**

Include thank you note to all involved and mainly the funding (see below an exact phrasing of an acknowledgement for REU funding, check with your advisor if other funding needs to be acknowledged, note the disclaimer should be included as well.

REU Acknowledgment

We would like to acknowledge support from National Science Foundation (NSF) REU IREC program in Chemistry No. 1460825. Any opinions, findings, and conclusions or recommendations expressed in this material are those of the author(s) and do not necessarily reflect the views of the NSF.
