

Mother of Mine

Liv Schlosser

Artist's Statement

My digital illustration depicts the statue of the Virgin Mary with her mother, Anne, that sits in my hometown parish. I used to stare and wonder what it meant to the original sculptor and to myself.

Liv Schlosser is a senior at the University of North Dakota majoring in psychology and English, with certificates in creative writing, forensic psychology, and Spanish. She plans to pursue a graduate degree and continue writing. She enjoys doodling, spending time in the mountains, and enjoying the company of her cat, Frankie.
