Acknowledgments

- Thank you so much to Roxanne for helping and playing with me throughout all these years! I always have fun when playing with you and none of this would be possible without you being by my side.
- Thank you to, Dr. Pugh, for being my teacher and mentor throughout all these years. I am grateful for your guidance and wisdom, and it is because of you that I came this far and was able to grow and mature as both a musician and as an individual!
- Thank you to, Dr. Popejoy and Mrs. Popejoy, for introducing me to this beautiful UND Music Family and believing in my ability and inspiring me towards my future career as a music educator!
- Thank you, Mom, for always being there for me and giving me your full love and support! You were there for me in the beginning, and I am grateful for everything you've done!
- Thank you to my family (my sister, brother, niece and nephew) who always gives me their love and support and for always cheering me on throughout my musical journey!
- Thank you to all my dear friends that I have made along the way especially the music breakfast club. You all are my second family and I cherish everyone very deeply.
- Thank you to all my UND music teachers who had faith in my abilities and helped nurture the musician and aspiring educator I am today.
- Thank you all for coming and for your support throughout all these years! It has truly been an honor and I am eternally grateful to have shared this musical experience and journey with you all!
