

Concert Attendance Policy

1. All undergraduate music MAJORS AND MINORS enrolled in 54/55 applied lessons are required to attend 10 concerts per semester. This policy applies only to undergraduates. It does not apply to summer students enrolled in applied lessons.

3. To receive credit, students must turn in to their applied lesson professor, a program and a ticket stub (if available) for each concert attended.
4. The Concert Attendance process is Pass or Fail. Students either attend 10 concerts per term or have their applied lessons lowered by one letter grade.
5. Only CLASSICAL, WORLD, JAZZ and MUSIC THEATRE CONCERTS/EVENTS will be accepted.
6. Secondary school concerts/musicals WILL be accepted.
7. Shared concerts (where two ensembles perform on a single concert) WILL be accepted for those students performing in half of the concert.
8. Students will NOT receive credit for events in which they participate (with the exception noted in #7 above and #9 below).
9. Collaborative musicians who are performing in no more than 50% of a performance, may receive credit for concert attendance.
