# ACKNOWLEDGMENTS

---

- Thank you to Dr. Pugh for his continued efforts to help me develop as a musician and a person these past 7 years. I would be nowhere near the musician I am today without your advice and guidance, and for that I am extremely grateful.
- Thank you to all the incredible UND Music Faculty for their support of me in all my musical endeavors these past 4 years, both instrumental and vocal. Special thanks to Dr. Driscoll and Dr. Pfeiffer for serving on my recital jury and Dr. Gable for the insight on his piece.
- Thank you to my family for always being supportive of my direction in life and always giving me support when I need it most. I hope to be able to continually share my musicmaking with you in whatever ways I can.
- Special thanks to my parents for their love and support of all that I do and have done throughout my life. You are the ones that have made me who I am today. You have given me my sound.
- Thank you to Roxanne for your kindness and professionalism throughout each of our rehearsals and in general. You truly do elevate every musical moment you are apart of.
- Thank you to all the friends that I have made while here at UND. You are truly the ones the make the bad times good and the good times last. The moments I spent with you at Hughes will forever be some of my happiest memories.
- And finally, thank you to everyone in attendance tonight, it really does mean the world to me. I find music is best when shared with others, so this ones for you.

This recital is in partial fulfillment of a Bachelor of Music: Music Education degree.
